5) The Collectorate department presents another difficulty at present. There are any number of appointments at present and till the reorganisation scheme is given effect to, it is not possible to treat only two Inspectors as Units, for there are Early Inspectors & Assistant Inspectors under Inspectors. Hence the old state of affairs in the case of Collectorate departments may be ordered to be continued, till November, when the re-organisation scheme comes finally & we are ready for orders.

CHIEF SECRETARY TO THE GOVERNMENT OF MYSORE,

BANGALORE.

SIR,

With reference to Government Order No. 5771-830/C.R.B. 5-26-1 dated 10th June 1927 directing that the "District" will be the unit for the purpose of calculating vacancies and determining the method of their disposal in the case of the Education Department, I have the honor to state that it is not possible to conform to the above definition in respect of the institutions under the control of the Director, Inspector of Primary and Middle Schools, Inspector of Secondary and Normal Schools, Inspectress of Girls' Schools and the Deputy Inspectress of Girls' Schools as they are situated in more than one District or all the Districts of the State.

I, therefore, request that Government may be pleased to direct that in view of the impending reorganisation of the Inspectorate, the unit of a District may be restricted to the patronage of a District Educational Officer, the unit for a Deputy Director be the Division, and that for the Director the whole State.

I have the honor to be,
Sir,
Your most obedient servant,

4) As per orders, I consulted Mr. Narasimiah, P.W. Asstt. Secy in the matter. He says that Executive Engineers have no powers of appointment & making them units is therefore meaningless. He is agreeable to make the circle a unit. Accordingly, if the Chief Engineer agrees, the Public Works Depart will be rearranged in the following manner.

1. Chief Engineer - for the whole State
2. Chief Engr R.R.S. for R.R.S. Works.
3. Superintending Engineers of
4. Shimoga & Mysore.

This may perhaps be referred U.O. to the Chief Engineer for remarks. If he agrees a draft G.O. will be put up.

SIR

Adverting to G.O.No.5771-830/C.R.B. 5-26-1 of the 10th June 1927, issuing instructions for the guidance of officers in respect of appointments to be made tothe clerical establishment, I have the honor to state that in para 3 of the order it is laid down that the unit for the purpose of calculating vacancies a n d determining the method of disposal of them will be the Division - in the case of the Public Works Department, and in this connection it may be stated that transfers of officials from Division to Division are effected at intervals and consequently the percentage of backward communities will vary from time to time and it will be -- doubtful if the first rule has to be applied or the other.

2. I therefore recommend that the unit for determining the percentage for the Public Works Department may be fixed for the Department as a whole instead of the Division and request that necessary orders may kindly be obtained for the modification proposed.

I have the honour to be,
Sir,
